

2019 Christmas Performance Schedule

This is the 2019 Christmas Performance Schedule. Please make every possible effort to accommodate these dates during your busy holiday season. Listed below is your child's performance venue(s) including address, phone number, driving directions, call time and other important information.

If you don't know how to get to your child's venue, call that facility directly for information. Each class depends on all of the students being present at the performance. Please be present at your child's performance, as well as all classes prior to their performance. If you are unable to attend your performance, let your teacher know immediately.

ALL CLASSES PERFORM AT ALL 3 OUTREACH VENUES BUT SELECTED REVELATIONS PRO-TROUPE, TINY TALENT COMPANY & BEG POINTE HAVE 1 ADDITIONAL PERFORMANCE AT THE CALVARY "NOEL" CHRISTMAS CONCERT.

Please check the Schedule carefully..Read all enclosed information to make sure you have noted all performance dates, times and locations.

Parking is limited at EDGEWOOD & ORL RESCUE MISSION performance locations, so please carpool if at all possible.

You may video tape your child's dance, but do NOT video tape any adult residents or children at these facilities. AFTH considers these performances opportunities for ministry to the people we are visiting. Not all performances will be in a large facility, and as such, we ask that you honor our request for only parents present at these locations.

PLEASE READ SPECIAL INSTRUCTIONS for each location to give the youth and/or senior adults at their performance location. AFTH students bless the residents of these facilities with their presence.

A gift is something extra that they will treasure and greatly appreciate.
